How to Join Next Gen STEM Community of Practice – NASA CONNECTS

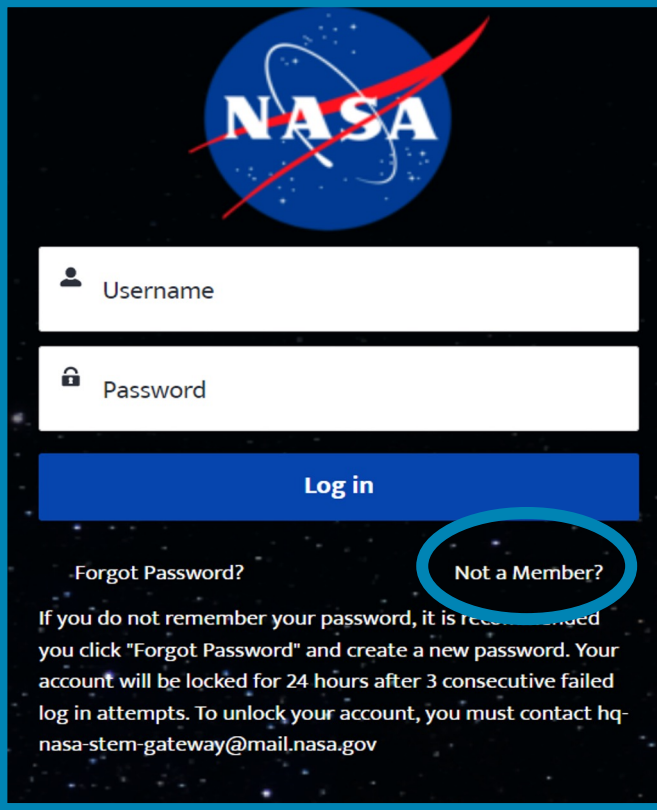

- If you have **successfully** created a NASA STEM Gateway profile previously, select **Login** to enter the username and password you created to log into Gateway.
 - Click → [NASA CONNECTS Registration](#)
- If you **have not** created a NASA STEM Gateway profile, create your Gateway profile first. Then, you will be able to register for NASA CONNECTS and other NASA STEM Opportunities.
 - Click → [NASA Gateway Registration](#)

Please make note of the username and password you created, as it will be used to log into NASA CONNECTS.

Create a NASA Gateway Profile

Your gateway for participating in NASA STEM opportunities!

The login form features the NASA logo at the top. Below it are two input fields: 'Username' and 'Password'. A blue 'Log in' button is positioned below the password field. At the bottom, there are links for 'Forgot Password?' and 'Not a Member?'. A blue circle highlights the 'Not a Member?' link.

If you do not remember your password, it is recommended that you click "Forgot Password" and create a new password. Your account will be locked for 24 hours after 3 consecutive failed log in attempts. To unlock your account, you must contact hq-nasa-stem-gateway@mail.nasa.gov

The registration form asks 'Which category best represents you?' and provides three options: 'Active Student', 'Educator', and 'Other'. The 'Educator' option is circled in blue. Each option includes a description, a list of applicable roles, and a 'Click Here to Register' link.

Which category best represents you?
Choose the category that best represents your role.

Active Student
Choose this category if you are actively attending one of the following as a student:

- High School (formal or homeschooled)
